GOBARI MESSENGER

Gobari Messenger App is a mobile messaging app that connects you with your friends and loved ones. We developed Gobari Messenger in Android version that will help users connect, interact and engage with their friends, family and loved ones. Gobari lets you create group and broadcast messages to your contacts, send pictures, videos & audio files and share your location.

Technology: Android Studio, PSD

Version Controls: Github and SVN

Gobari

CLIENT FEEDBACK

“ I wish to express my joy wish you all have given to me for the successful development of Gobari messenger. You all beat my expectations giving the fact that I have been failed before in the past where I contracted another company to build this app for me. All the functionalities are great and the way you arranged them is perfect I must add. I sincerely wish I can join you all to celebrate this success of this app in India. Thanks for giving me a perfect job. ”

We are committed to convert your ideas into online business.
