ALLHEILMITTEL CHEMIE

Allheilmittel Chemie is the most trusted chemical importer and distributor in South East Asia Region. They supply high performance pigments, and high quality commodity pigments. We worked on the Allheilmittel Chemie website's structure, design, and code, from the ground up, to create a beautifully responsive and user-friendly site for its customers. A full UX (user-experience) and UI (user interface) design process was utilized to achieve the best possible end-result.

Technology: Wordpress, MySql, Responsiveness

Version Controls: SVN

CLIENT FEEDBACK

“ Hello everyone, my name is Aries, I'm the one who made contact with Mr Puneet and Mr Sachin to develop a great website. I was taken with their "can-do" attitude towards entire project and their willingness to meet our needs. From the first meeting, SourceSoft team made me feel very confident and comfortable that they understood our requirements. Even the post launch the website, the team has continued to be helpful and interactive. It was great experience working with them. Big thanks SourceSoft Team. ”
