904MSP

The client approached us with requirements for a new website with features such as animated graphics, responsive layout, Word-press CMS, and one-page website template, etc. The design and development teams, along with project coordinators at Source Soft Solutions, immediately started working on client requirements and turned the rough ideas into a beautiful and elegant website. 904MSP provides your business with an all-in-one IT department. They can assess, optimize, manage and monitor your servers, network and support staff around the clock.

Technology: Word-press, MySql

Version Controls: SVN
