FTT (FUTURE TELECOMMUNICATION TECHNOLOGY)

FTT Future is a globally recognized provider of telecommunication solutions in a wide range of industries. Its online platform provides a products catalog and details of sellers. Established in 2001, FTT provides customers with high quality products, thoughtful service, advanced technology and the most competitive prices. We used orange as a primary color, which according to color philosophy builds trust among consumers. We also used Wordpress for content management system and integrated a plugin to improve the SEO of the website. Overall, the website was kept professional as well as user friendly.

Technology: Magento, MySql, HTML5, CSS3
