PATRICK INTERNET

Although a challenging project but it was good time with Patrick Internet. The team had to do lots of home work and analysis to figure out the layout for the project. However, all the hard work turned out to be satisfactorily fruitful as today Patrick Internet is considered to be the best platform that provides impeccable range of web hosting services, SEO & SMO services. The website is slick, and trendy to look at with all the latest navigation styles which results in an engaging user experience.

Technology: HTML5, CSS3, jQuery, Adobe Photoshop

Version Controls: SVN
