CAYMAN HEALTH

CaymanHealthHub is an online community which was developed to assist all persons in achieving their health goals without having to pay significant sums to be motivated. As part of social networking webs, we worked on all the social networking sites to build its presence online and to engage people in several activities. All the pages designed were fully responsive and incorporated animated elements to the brand to give the site a bold, modern and engaging aesthetic. We always endeavor to take our clients with us in the journey of latest technology!

Technology:	PHP, MYSql, PHPFOX, HTML5, CSS3,JQUERY
Version Controls:	SVN

CLIENT FEEDBACK

❝ Source Soft was the only company that within the first meeting made me feel very confident that they will help us achieve what we have envisioned. It's been an amazing experience working with their team. The final version of the website is far superior than I imagined. ❞

We are commited to convert your ideas into online business.
