TRUST AND FIX

Trust and Fix provides the highest quality maintenance services and it's all about trust, competence and integrity. When they approached us they wanted that the website design should be attractive and useful to the users, otherwise they might be at risk of directing a lot of traffic to the site only to have visitors bounce back to one of their competitors. Based on analytics, we developed the website as asked and the site traffic was up and the lead generation has increased. The website's SEO rankings have improved.

Technology: Codeigniter, MySql, HTML5, CSS3

Version Controls: SVN
