## RAINMAKER CLINIC

Rainmaker provides scalable and customizable training solutions for businesses. When the client approached us he gave us some suggestions for website maintenance and we helped him to implement those in his website. To increase visibility and online presence, advanced tools and techniques and optimized content with specific relevant keywords were used. We put in the best techniques that are necessary for website maintenance, and in the end, the client was happy with the final product and the results thus received.

Technology: Wordpress, MySQL, HTML5, CSS3

Version Controls: SVN

Ashley

Australia

## CLIENT FEEDBACK

“ Selecting someone to maintain your website is a decision no business owner takes lightly. That is why I recommend Source Soft. I have used their services for many years, and am thrilled with her efficiency, dedication, and attention to detail. As a business owner, I don't have time to chase after or monitor my maintenance service to make sure what I ask to be done is, and that it is correct. Kudos to the Source Soft Team. ”
