TRUE VOIX

TRUEVOIX

The proposed project comprised the design and development of website where users will be able to view national or international issues and submit their views in the ongoing system and turmoils within their own nation or any other. The skilled team of experts at Source Soft put in their hard work, and within the time frame the website was developed. After the new site was made live, tremendous increase was witnessed in total site traffic.

Technology: Codeigniter, MySql, HTML5, CSS3

Version Controls: SVN
