Building & Development

With over four decades of combined experience in the building industry, Leperadise Building & Development takes great pride in the breadth of our construction expertise. They wanted to increase their lead generation and revenue through a new website with custom software that helps them to attract more customers and communicate brand value through an intuitive front-end interface. Once the site was complete, more leads started pouring in. They experienced an 8% jump in overall conversions that translated into an additional \$15,000 in monthly sales.

Technology: WordPress, MySQL, HTML5, CSS3

Version Controls: SVN

CLIENT FEEDBACK

“ Source Soft Solutions was very good at creating my website. They obviously have a large amount of experience as they were able to create exactly what I wanted very quickly. They gave me a lot of good advice as well. I will use their service again for other websites that I am creating. ”
