SKILLS &
EXPERTISE

ZOOMMLINE

ZOOMMERCE

Zoomline promotes brand new fashionable and trendy products to existing users, while also introducing themselves to potential members. The proposed project comprised of the development of brand new website where the interested buyers can view the products. We end up creating a highly usable, searchable and browseable product catalogue with easy social sharing options and clear conversion points to contact for a quote. The new fully-integrated eCommerce website lets their audience easily navigate all through a beautifully designed website.

Technology: HTML5, CSS3, Responsiveness, jQuery

Version Controls: No found!!
