## AUTOGLOW

AutoGlow Electroluminescent Coating Technologies provides a variety of electroluminescent coating products & training. They came to us for the redesign, development and hosting of their eCommerce website. The focus was to increase their online sales, conversions, awareness, and exposure, while making it easier for visitors to quickly find and purchase an item. We created a custom design with a look and feel that accurately aligns with the brand and appeals to their various target audiences.

Technology: HTML5, CSS3, Responsiveness

Version Controls: SVN

Lilydale

## CLIENT FEEDBACK

“ This experience has been the best reason to shift from full-time design staff to an outside firm. Your team has been timely, accurate and detail-oriented in every project we give them. Not only have they been there whenever we need them, but the work has been vital to our brand identity. ”

# We are committed to convert your ideas into online business.
