BOSADVISORS

BosAdvisors Positive Leadership creates learning environment and supports individuals in being the best Versions of themselves. We were tasked with delivering an online portal for users to interact and be part of the round table dialogue to discover strength across boundaries. We focused on creating a website that conveyed the exact message and made use of beautiful imagery, yet remained simple, intuitive and functional to end-users. We created a beautiful and user-friendly experience across a multitude of devices with forward-thinking responsive design.

Technology: WordPress, MySQL, HTML5, CSS3

Version Controls: SVN

CLIENT FEEDBACK

“ Thank you for the work you did. We have been getting very good feedback on the new website. The website in particular is proving very beneficial. Having a mobile enabled site with a fully integrated content management system is proving to be very useful, and also proving to be a key marketing tool to help us compete for new business. ”

We are committed to convert your ideas into online business.
