CAR BOOKING WEBSITE

Car Services provides corporate clients and leisure travelers with safe, reliable, and professional chauffeured and limousine car services in major cities in the United States. When client contacted Source Soft with their idea, they wanted to stand apart from other luxury transportation service providers in the U.S. The client wanted us to design a highly intuitive, simple, unique and user-friendly website that brings more customers and enable them to make reservations easily. Key features of the website include different sections for Services, Fleet, Specials, a page to request Free Quote, and make Online Reservation.

Technology: WordPress, MySQL, HTML5, CSS3

Version Controls: SVN
