UNITEDPHLEBOTOMY

United Phlebotomy Medical Lab Services serves the Washington DC, Virginia, Maryland, and the Metropolitan Area. They have skilled professionals to collect your specimen when and where you choose and safely transport it to hospital or individual laboratories for you. After careful analysis of business model and target market, Source Soft team prepared a design plan, which included responsive design and search engine optimization, along with engaging user experience. The website was built from ground up to make it responsive and intuitive using HTML5 and CSS3. The design was aligned with the services offered by the company. We also did some UI and UX upgrades at the end to make the overall design more appealing and elegant.

Technology: WordPress, MySQL, HTML5, CSS3

Version Controls: SVN
