## GR8 RESEARCH CHEMICALS

Gr8 Research Chemicals is one of the most trusted online suppliers of high-grade research chemicals, blends, blotters, branded powders and lab equipment. They provide the best chemicals to European customers. They only supply the finest research chemicals at the purest form for research purposes to academic & educational institutions, research scholars, scientists, medical & forensic laboratories. As a relatively new business in the online research chemicals selling industry, Gr8 Research Chemicals had some major competitive hurdles. We utilized multi-tiered marketing strategy to bring traffic to the site and increase conversions. We found greatest impact through our highly targeted content development and SEO-indexing strategy.
