PETS CAN STAY

Pets Can Stay is the ultimate online resource for searching pet-inclusive hotels, resorts, motels, and B&Bs through North America. These pet-friendly accommodations provide special nutritious meals, treats and snacks for your four legged friend. Pets Can Stay had been burned by past SEO companies, who over promised and under delivered. When the client approached Source Soft, they wanted to increase site traffic and improve online bookings of hotels. We developed highly focused SEO strategy and achieved desired results within short time frame.
