NETRENTALZ

NetRentalz
You need it. We got it.

NetRentalz as a service business model gives you the ability to provide state of the art, affordable firewalls, network switches, and WiFi access points to your customers, while also helping you develop more recurring streams of revenue. We at Source Soft Solutions helped NetRentalz accomplish the set target with a stunning website. We made sure to integrate the platform with automated software for easy updates. The website was made user friendly so that the viewers can browse the website and end up purchasing what they need.

Technology: Word-Press, MySQL, HTML5, CSS3

Version Controls: SVN
