SKILLS & EXPERTISE

BAPTIST

Nepal Baptist Convention of Nepal Ministries is an evangelical movement of churches, provinces baptist associations of unions and national convention ministries committed to demonstrating good news of Jesus Christ. When the client first approached us, they were in need of interactive website development. The skilled design team at Source Soft created a website that will drew attention of investors and end users. The website thus designed is user-friendly to attract and engage the user, as well as communicate the brand and raise awareness about the convention.

Technology: Wordpress, Mysql, HTML5, CSS3

Version Controls: SVN
