## ACTIVE MEDICAL

Active Medical ID is an online store to buy ID wearables. These medical ID bracelets are perfect for people who are suffering from any medical condition and people involved in active sports such as cycling, hiking, and running. These medical ID bracelets allow others to quickly identify a person in the event of an unexpected medical emergency. We used Magento technology to build this eCommerce store with an engaging design. Additionally, we integrated payment gateway and ratings feature on the website.

Technology: Magento, MySQL, Responsive Design

Version Controls: SVN
