AIDSGAP

The company "Health & AIDS Strategy" works in the field of health, personal services and communities in the promotion of health and well-being in Africa and other continents. They support communities to develop and implement projects related to health, tobacco control, hygiene and sanitation. Our team of robust designers and developers used HTML5, jQuery, PHP and WordPress to develop this responsive website. We developed the website that aims to transform their online presence into lead generation machine.

Technology: Wordpress, Mysql, HTML5, CSS3

Version Controls: SVN
