## VOTEOK

VoteOK is an Android app that has been developed for the registered voters of Oklahoma's District 3. Using this app, people can now communicate with their district representative directly and discuss how they want to proceed/vote for any upcoming House Bill. Now people can put their opinion in front of politicians and place their voice in national politics.

Technology: Objective-C, Xcode libraries, Android Studio, PSD

Version Controls: Git Hub

## CLIENT FEEDBACK

“ Source Soft team has done a great job. They helped me launch my VoteOK app in short time. They are very supportive and communicate at every step. The App is working good and am planning to work with Source Soft on my next project. ”

# We are committed to convert your ideas into online business.
