R TAX

Having years of expertise in website development, our team easily understood the business requirements and challenges associated with R Tax Preparation project. R Tax Preparation is a full service tax firm specializing in Tax Preparation and Consulting, IRS Audit & Defense, Tax Appeals, Liens & Levies. We kept the website theme and color same as their logo color in order to match the brand identity. We tried a new approach of offering all the critical information on the homepage and also segregated their main services into different sections on the Services page.

Technology: Wordpress, MySql

Version Controls: SVN
