WORLD STAR TECH

World Star Tech designs and manufactures state of the art laser diode modules and laser systems for biomedical, instrumentation, sensor, machine vision and industrial applications. It is an ISO 9001:2008 company, and they are totally committed to leading edge technology and outstanding customer service. World Star Tech approached us to design and develop a responsive layout, improve user experience and make the navigation more intuitive. Our design and development team, along with project coordinators at Source Soft Solutions, worked together to improve site information structure and make the entire website look seamless.

Technology: WordPress, MySQL, HTML5, CSS3

Version Controls: SVN

CLIENT FEEDBACK

“ We worked closely with the Source Soft team to capture the website layout we were looking for. They were extremely helpful in customizing the theme to make the site look the way we wanted. They took our vision and make it come to life. Thank you guys and good luck! ”

We are committed to convert your ideas into online business.
