VALARIA TECHNICAL CONSULTANTS

When Valaria Technical Consultants came to Source Soft with their website design idea, they wanted to stand apart from the rest of the medical research and development sites. By analyzing their targeted user base, our designers created this masterpiece using Word-press, which scored very high on user experience. Valaria Technical Consultants LLC has a team of advisors who have experience in performing research and managing successful discovery, pre-clinical and clinical research programs in universities, government agencies, biotechnology companies and large pharmaceutical companies.

Technology: Wordpress, MySql, HTML5, CSS3, jQuery, Responsiveness

Version Controls: SVN
