TANTRA

The Tantra team approached Source Soft to make a website for their media production business. Clients' major focus was on visuals to stand out of the crowd. The design team and development team finalized a website that was custom built using Word-press. Tantra creates visual story experiences that are personalized, engaging and never forgotten. They are an award winning production house that conceptualizes and produces Series (non-scripted and scripted), Documentaries, Film and Social Media content for worldwide broadcast.

Technology: Wordpress, MySql, HTML5, CSS3, jQuery, Responsiveness

Version Controls: SVN

CLIENT FEEDBACK

“ We have had a fantastic experience with your company. The final website design complemented our media production business. Your team has been able to meet and exceed our expectations. We are receiving compliments on the designs and theme of the site you developed. It has really given us the positive exposure we were looking for. ”

We are committed to convert your ideas into online business.
