MENARA MANNA MULIA

Menara Manna Mulia is based in Indonesia and is committed to serving clients in property management. The company has an expert team who can assist you in every aspect of property management. Their core business in Indonesia is asset, property and facility, estate management, building engineering consultancy, property sales and marketing services. After conducting a thorough research on best website designs for property management consultants, the team at Source Soft decided to build the website using Wordpress platform and customized theme. With clean code and optimized use of images, Source Soft designers and developers were able to build a website for the client that loads fast and performs well in search engines.

Technology: Wordpress, MySql, Multilingual

Version Controls: SVN
